Hiring Manager

VF Outlet Mall
2529 KY-227
Carrollton, KY 41008

To whom it may concern,

I am writing to express my interest in a position at Vf Outlet Mall in Carrollton, Kentucky. I have previous experience with public speaking and interpersonal communication while working as an Intern to the Executive Director Shelby Miles for the Carroll County Community Development Corporation and the Kentucky I-71 Economic Development Alliance. I also work part-time as a Freelance Website Developer, and have assisted multiple companies. This has taught me critical skills in organizing communications and relay of information.

I hope to develop my experience while working as an employee for VF Outlet Mall, both with customer service and product knowledge. I will be graduating iLEAD Academy/Carroll County High School this spring with my High School Diploma. I will also be graduating from Jefferson Community & Technical College with my Associates of Science. I will be studying Public Relations and Graphics Communications Media, which is why it is part of my goal to work for Vf Outlet Mall.

Outside of technical experience, I am a highly motivated student and worker. I am often told that I have a bright and 'bubbly' personality, which is why I am determined to work with customer service to gain new experience in my career. Seeing as I attend High School and College full-time, and have worked multiple jobs part-time, time management is a strength of mine. I'm eager to have a career in communications, and working for VF Outlet Mall would be a great opportunity. I am confident I will be able to meet and exceed your expectations.

Thank you for your consideration and time, I truly hope to hear from you soon. I would be grateful for the chance to prove what an asset I can be to your company. Please feel free to call or email me at your convenience.

Sincerely,

Serenity Rogers
